

VU THUY TRANG

INTERN TESTER

📞 0522946828 📩 thuytrang.271204@gmail.com ⬇️ Yen Xa, Ha Noi

OBJECTIVE

Short-term Goal: I aim to start my career as a manual tester in a dynamic and professional environment, where I can actively contribute to the team's goals while continuously improving my testing skills and expertise.

Long-term Goal:

In the future, I plan to specialize in automation testing, driving the efficiency and effectiveness of the company's testing processes. Additionally, I am committed to enhancing my English communication skills and achieving a TOEIC score of 800 or above.
